Cem Crem 2026 Price Update

Dear Valued Funeral Directors,

We are pleased to share some positive updates from our recent pricing review.

As part of our commitment to supporting client families, we have been able to reduce pricing in several key areas including service, chapel and cremation offerings. These adjustments reflect our ongoing focus on value, transparency, and sustainable service delivery across our Memorial Parks and Gardens.

From Monday 13th April, all pricing will move to a GST inclusive format. Current and upcoming price lists can be accessed on each Park's website via the Funeral Director Hub, or by visiting My Memorial 2026 Prices - Effective from 13 April.

We remain dedicated to delivering the highest standards of service and care and we thank you for your continued support and collaboration. If you have any questions, your local Park and Garden Manager is available to assist.

Kind regards,

The InvoCare Memorial Parks and Gardens Team
