Supporting communities for generations

GARDEN OF REMEMBRANCE

What we once enjoyed we can never lose. All that we love deeply becomes a part of us.

Why Choose a Memorial?

Memorials are a place for reflection and a permanent marker for a life lived where family, friends and future generations can come to remember and pay their respects. With the passage of time, the significance of key dates such as anniversaries, birthdays, observed religious days grows, and so too does the importance of visiting a loved ones memorial. A memorial can be formed by a burial plot, a shared family cremation garden, or a simple plaque.

Memorials are as personal as you desire them to be. There are many options available to help capture the spirit of each individual, including your cultural and religious customs.

For more information on memorial options at Toowoomba Garden of Remembrance, to arrange a tour of our grounds, or pre-arrange a memorial, please contact one of our family service advisors on (07) 4635 4866.

BURIAL MEMORIALS

A burial memorial is a designated site or structure intended to commemorate and honour the deceased. It serves as a place for loved ones to remember and pay respects to the departed. Burial memorials can take various forms. They also play a significant role in many cultures and provide a sense of closure and remembrance for grieving families and communities.

Ash Memorialisation Options

Scattering Ashes

Toowoomba Garden of Remembrance offers a peaceful environment for scattering ashes, with personalised memorial options available. Families may choose to install a custom plaque to create a lasting place of remembrance.

Many families also keep a portion of the cremated remains, with keepsake options such as jewellery, urns, or wind chimes. Whether ashes are scattered within the park, elsewhere, or kept at home, a plaque within the grounds provides a meaningful place for family and friends to reflect.

Ash Witness

An ash witness service allows families to be present at the interment of ashes on a scheduled date and time. This typically occurs once the plaque is ready for installation, though earlier arrangements can be made.

Our team prepares the site, and attendees may assist with placing and covering the ashes using provided soil. An additional fee applies. If the family chooses not to attend, our team will complete the interment at no extra cost.

Ash Placement

Ash placement allows ashes to be interred alongside another individual in an existing burial site, enabling loved ones to rest together. This service is available for an additional fee.

COPING WITH GRIEF AND STARTING THE GRIEVING PROCESS

It is best not to put a time frame on the whole experience of grief. This creates unrealistic expectations and doesn't allow for individual differences. Some tips for facing this change in your life include:

Talk about it
It will help to let it sink in.

Look after yourself
Eat, drink, sleep, get fresh air and try to avoid alcohol and sedatives.

Ask for help
Don't think you have to cope on your own.

Understand your friends
They can be important, so tell them what you feel and share your grief.

Stay positive in your thoughts

Accept that loss is a part of life

Be aware of advice-givers
Don't allow people to entice you into replacing or avoiding your grief—e.g. going on holidays or buying a car.

Be prepared for ups and downs
Memories sparked by birthdays and anniversaries can bring you down.

Our staff keep updated with what the experts say, and we collect resource materials and can provide these free of charge.
